

FCC Drive Away Hunger

August 4, 2009

4-H Clubs

Dear Club Leaders:

In recognition of World Food Day on October 16, employees at Farm Credit Canada (FCC) and local food banks across Manitoba will be collecting donations of food and money for people who are hungry in our province.

The FCC Drive Away Hunger food collection will take place October 5th to 9th. Last year, the program collected over one million pounds of food for Canadian food banks.

We are inviting your club to become a part of the journey by collecting food donations for your local food bank.

The FCC Drive Away Hunger tour presents a great opportunity to educate students about the issue of hunger in our own province, as well as Canada and around the world. FCC will provide you with a power point presentation on this issue and will also provide each child with a small recyclable bag to fill with food and empower them to take action to drive away hunger in our own province.

To get involved, contact your local FCC Office in 1-800-387-3232
